COMMUNITY INVESTMENT FUND

Your general, or undesignated, donation to United Way is combined with donations from other individuals and companies to build our Community Investment Fund, which supports local programs in two focus areas: **championing children** and **providing pathways out of poverty**.

Our Community Investment Fund supports carefully evaluated, well-defined programs that tackle problems in different ways.

- **Upstream programs** address root causes of social issues to make long-term changes
- **Safety net programs** deliver short-term solutions to meet immediate needs, often to families in crisis
- **Innovative programs** introduce a new approach to known issues or address emerging challenges

We can do more together than we can alone.

Your donation supports the United Way Ozarks Region Community Investment Fund unless otherwise specified.

YOU CAN HELP!

UNITED WAY OZARKS REGION

LEADING THE WAY FOR COMMUNITY SUCCESS

United Way Ozarks Region is our community’s **unifying and mobilizing** force, calling us to action so all can thrive. The more our community participates, the more we can accomplish – together.

We see the big picture. We look at the challenges, resources and unmet needs in the Ozarks. We are providing **effective and creative** ways to engage in the community, making it a better place for all to live and help one another.

Your gift to United Way reaches **far beyond one** agency. This year, our donors are supporting 20 programs at 15 nonprofits across the Ozarks.

OUR FOCUS

At United Way Ozarks Region, we believe **united is the way** to a better tomorrow. To **bright futures**. To **stronger connections** between neighbors. To **effective programs**. For maximum impact, our funding focuses in two areas:

Championing Children

Generous donors like you help ensure our children have access to food, shelter and quality education. You make it possible for volunteers, advocates and professionals to **improve lives** of young people – to achieve milestones in development, education and health.

Pathways Out of Poverty

Your gift helps **break the cycle** of generational poverty, a serious issue in the Ozarks. Progress – helping people get jobs, earn better incomes, find safe homes and gain access to physical and mental health care – will unlock the future for our neighbors, our workforce and our community.

YOUR IMPACT

Your pledge sets up generations for **successful futures**. You will help children and adults achieve their **full potential**. You will build our **community**.
