Short-term strategies that provide "safety net" services to families in crisis.

When you give through United Way, we improve more lives in more ways than any single agency can. Your gift to United Way this year goes beyond one agency, supporting 21 programs at 14 nonprofits, meeting our community's most critical needs

United Way's community investment process takes a strategic approach, supporting programs that:

- Address **upstream**, root causes of social issues.
- Provide **safety net** services for those in crisis.
- Apply **innovative** approaches to meet community needs.

WE INVEST IN OUR COMMUNITY'S SUCCESS

United Way of the Ozarks is our community's unifying force.

We are focused on the big picture. We look at the challenges, resources and unmet needs in the Ozarks and offer creative ways to engage in the community, making it a better place for all.

Your gift to United Way this year reaches beyond one agency, supporting 21 programs at 14 nonprofits across the Ozarks.

OUR FOCUS

At United Way of the Ozarks, we are **here**. Here for a better tomorrow. **Here** for **bright futures**. **Here** to **strengthen connections** between neighbors. To best serve our community, our work has two primary areas of focus:

Pathways Out of Poverty

We need your help to break the cycle of generational poverty. Generational poverty is a serious issue in our area, and if we don't solve the problem, it perpetuates. Your pledge this year helps people get jobs, earn better incomes, find safe homes and gain access to healthcare, including mental healthcare.

Championing Children

You can help ensure all children have access to food, shelter and quality education. With the help of volunteers, advocates and generous donors, we are improving the lives of children and young people. Your pledge this year helps youth reach their full potential, achieving milestones in development, education and health.
