The Greek Corner and Your Organization Supporting the United Way of the Ozarks

The Greek Corner Screen Printing and Embroidery is excited to partner with the United Way of the Ozarks to bring you MoneyTees - an easy way to raise funds for your organization or cause.

What is MoneyTees? MoneyTees is our online platform that helps organizations like yours raise money by selling custom-designed apparel and promotional items. Every item sold directly supports your organization.

How It Works:

No Upfront Costs: You don't pay anything to get started or keep your store open.

Affordable Fees: The only cost is a \$2.00 administration fee per item sold.

Profit Potential: You set the prices for the items! For example, if a t-shirt costs \$10, you can sell it for \$20, earning \$10 per shirt sold!

Fundraising Campaign Details:

Duration: Campaigns typically run for 3-4 weeks, followed by 2 weeks for production and shipping.

Order Fulfillment: Options for local pickup and flat-rate shipping are available.

No Limit to Earnings: The more you sell, the more you raise!

Getting Started:

All you need is an idea and a logo for your campaign. If you don't have a design, our graphic team can help create one for you. There are no store setup fees, all we require is 25 shirts sold, per design, but don't worry—we offer flexibility if you don't meet the target.

To Launch Your Fundraiser: Contact Jenn Harrington via email at: moneytees@greekcornerprinting.com or call 417.865.8011.

Join us in supporting the United Way of the Ozarks—and turn your ideas into impactful fundraising with MoneyTees!
