YOUR COMPANY'S OWN FLAVOR

Every store gets a short list of favorites — plus one that's yours. Pick a flavor or blend your own, and put your name, or a message to your team, on the label.

HOW IT WORKS

1

We open a two-week popcorn store just for your campaign.

2

You share the link. We send flyers and emails ready to go.

3

Your team orders online — and you watch the donations add up.

4

We pop it fresh and bring everything to you: cases by flavor, supplies, your order list.

EASY ON WHOEVER RUNS YOUR CAMPAIGN

- ✓ **Nothing up front.** No order forms, no cash box, no inventory.
- ✓ **Never on your own.** Setup, delivery, supplies, order list — and a hand on drop day if you want one.
- ✓ **Your dates.** The store opens and closes when you say.
- ✓ **Runs alongside everything else.** One more way to add to your total.
